Disclaimer: Whilst we make every effort to have a smooth running and efficient online auction platform, there is always the remote possibility that technology will let us down! It's very unlikely but it can happen. In the event of any technical breakdown issue such as a bid not being received or entered unfortunately we will not be held responsible.

Whilst we are happy to make shipping arrangements for clients as required again it's always possible that mail or courier services have service failures. We will not be held responsible. We will always do our best to assist and answer any queries in a timely fashion.
