Where Lots are available for inspection at our London Offices prospective purchasers should satisfy themselves as to the condition and description of the cigars. Where they are not available for inspection it will be noted within the product description. We are delighted to provide condition reports if you are unable to inspect Lots, simply email us the Lot numbers and we will report thoroughly.

There are no listing fees for sellers.

VAT is applicable on hammer price only on lots which are collected from our London offices or shipped within the UK. These lots are indicated with ● symbol in this catalogue.

VAT is an applicable UK tax on both buyers and sellers premiums regardless of where the Lot is shipped to. Buyers and sellers premiums are classed as a service by HMRC and cannot be zero rated.

Buyers must settle within 48 hours of auction ending and receiving our invoice by bank wire transfer or by credit / debit card. Please ensure that you check with us before bidding that your credit card type is acceptable to us.

Please note that if we receive two identical bids we will only be able to enter the first bid received.

The auction Lot will be sold at the time the online auction ends, at which time a binding contract between buyer and seller is completed.

We will not accept phone bids.

All Lots will be subject to a “reserve price” below which the Lot will not be sold.

We are happy to store on buyers behalf at a reasonable additional charge.  
Please Enquire before bidding.

Where we are offering sealed boxes these are sold as seen. Many collectors prefer sealed boxes but there is always a possibility that the successful bidder will open the box and find the cigars in bad condition. Buyer beware before bidding!

Please note that certain Lots are marked 'Not available for shipping to the UK' There are no exceptions, these Lots cannot be imported to the UK and we are unable to assist with importation. Please take care on bidding as the sale is final and to the highest bidder at the time the online auctions ends.

Payments by buyers are due within 48 hours of invoice being raised. In the event of non-payment after 14 days we reserve the right to cancel the sale and resell the cigars with any shortfall being due by the original buyer. We will pursue non-payments through the relevant legal channels as an auction contract is binding. We are unable to extend payment terms to any bidder under any circumstances.

Seller payments are made within 28 days after the end of the auction by cheque. Payments can be made in any currency except US Dollars.

If you require a bank wire transfer please ensure that you forward us your full bank wire details (BIC and IBAN) there is a £20 charge for wire transfers.

**Disclaimer:** Whilst we make every effort to have a smooth running and efficient online auction platform, there is always the remote possibility that technology will let us down! It's very unlikely but it can happen. In the event of any technical breakdown issue such as a bid not being received or entered unfortunately we will not be held responsible.

Whilst we are happy to make shipping arrangements for clients as required again it's always possible that mail or courier services have service failures. We will not be held responsible. We will always do our best to assist and answer any queries in a timely fashion.

Errors and omissions exempt.

LOT 365	<b>Bowmore</b> <i>21YO Aston Martin Masters</i>	51.8% 70cl	21YO	£400 - £500	●
	This is a collaboration of perfect proportions, the optimal combination of skill, passion and precision. Taking each Masters' own creativity and character; bringing together harmoniously to create a beautiful, yet powerful equilibrium. For Aston Martin proportionality defines every precise detail of the design process; in a quest to achieve the Golden Ratio, this guides the creation of absolute beauty by ensuring a perfectly symmetrical relationship between each proportion. For Bowmore, proportions define character and shape flavour combinations; from cask selection and age to blending. But for the first time, the adoption of the Golden Ratio has inspired the combination of components, each of which add their own unique flavours and layers of complexity to the final whisky. The result is a single malt which thrills all the senses for optimal enjoyment. But much like an Aston Martin, delivers a very powerful and memorable finish.

LOT 370	<b>Daftmill</b> <i>Cask #038 2009 UK Exclusive</i>	56.3% 70cl	2009	£500 - £600
<p>Daftmill is a farm distillery. Owned and operated by the Cuthbert family, it only runs in the farm's quiet periods; midsummer and winter, sometimes producing as few as 100 casks per year. When not distilling, Francis Cuthbert looks after the estate, growing the malting barley used to make this Lowland whisky. The barley variety Optic was grown in their south fields and harvested in the last week of August 2006. It was then stored on the farm to be malted in Alloa in the Summer of 2007. This first fill Bourbon barrel was selected by Francis Cuthbert from Daftmill and Jonny McMillan from BB&amp;R. It was distilled in the summer season, being filled on the 27th July 2009 and has been bottled exclusively for the United Kingdom.</p>

A cask blend of fourteen year old ex-bourbon American white oak, and fourteen year old first fill ex-madeira. In keeping with the untouched nature of the cask strength ECS releases, Redoubtable is non chill filtered, and free from added colour, sweeteners, and other flavourings. When the name of the bottling is shown in green text, it would indicate a full strength, limited release of a blend of cask types in the ECS series. <p>This 2018 release will contain whisky matured for around 23 years. Introduced in 2009, Allardice is a typical heavily-sherried expression from Glendronach, matured in Oloroso casks. Due to its brief closure in 1996, versions of 18 year old expression bottled between 2013 and 2019 necessarily contained much older whisky than that. Pre-1996 distilled Glendronach like this also has a gentle peat influence due to its use in the first few hours in the malt kiln when the distillery still did its own in-house malting. This is no longer the case.</p>

Glenfiddich was an important trailblazer in the whisky industry, who's contribution cannot be forgotten. The scale of their operation today is a testament to this. This release represents the Clan Sutherland, one of the 11 different tin designs produced by the distillery, illustrating some of the most famous Scottish clans and includes a beautiful 5cl.</p>

LOT 396	<b>Littlemill</b> <b>Andy Bailey 1992</b>	58% 70cl	1992	£300 - £400
<p>A closed distillery that was located in the area near Glasgow that's on the border between the Highlands and the Lowlands but usually classified as Lowland possibly because the distillery used the technique of triple distillation that's traditionally used in the Lowlands - as opposed to the double distillation that is customary in the rest of Scotland at least until 1930. Quite possibly the oldest malt whisky distillery in Scotland with roots going as far back as 1750. The last remains of Littlemill distillery (largely dismantled in 1997) are destroyed by fire in 2004. Dumbuck (heavily peated) and Dungallass (unpeated) were the names of two malt whiskies that were produced by experimental set-ups at Littlemill that didn't operate for very long. As a result, bottles under these names are extremely rare.</p>

<p>Each year as part of the Parker's Heritage Collection, we select a special whiskey to be released in the name of our late Master Distiller Parker Beam.</p> <p>The barrels selected for this series include Bourbon, Rye, and Wheat Whiskeys, among others, and are some of the finest and most diverse American Whiskeys ever produced.</p> <p>They are a fitting tribute to the expertise of Parker Beam.</p> <p>The first ever Rye Whiskey of the Parker's Heritage Collection, the 13th edition consists of 75 specialty barrels that were charred for a full minute and a half, as opposed to our traditional 40 seconds.</p> <p>These Level 5 barrels were aged for 8 years, 9 months on the seventh floor of Rickhouse Y. There, the heavier char allowed the whiskey to penetrate further into the barrel, extracting deep notes of spice and wood, and resulting in an elevation of the spicy, distinctive character of our traditional Rye Whiskey mashbill.</p> <p>It is bottled without chill filtration at 105 proof.</p>

LOT 424	<b>Weller</b> <i>12YO Bourbon Old Bottle</i>	75cl 45%	Old Bottle	£250 - £300	
<p>A spectacular wheated whiskey distilled by Buffalo Trace, the Weller 12 year old straight borobon whiskey has achieved cult status for a sweet and smooth profile that blends creamy vanilla, caramel and molasses with hints of corn, sweet fruit and cocoa. While the standard 12 year old is one of the most sought-after bottles in whiskey circles today, the older bottling distilled by BT is a level above, and represents one of the most coveted and exceptionally crafted 'wheat' whiskeys ever made.</p>					
LOT 425	<b>Weller</b> <i>Special Reserve Bourbon</i>	45% 75cl		£60 - £80	
<p>Distilled at Buffalo Trace, this Kentucky straight bourbon is an exceptionally smooth expression, owing to a mash which substitutes wheat for rye grain! Bottled at 90 proof, this bourbon stands out with its burnt orange colour. Its softer flavour notes make this bourbon great for sipping or making cocktails.</p>					
LOT 426	<b>Whistlepig</b> <i>15YO Vermont Oak Finish</i>	46% 75cl	15YO	£175 - £200	
<p>One of WhistlePig's oldest whiskeys, Estate Oak Rye is for the true connoisseur of Rye. It takes its name from their Vermont Estate Oak, where it finishes its 15-year life. Custom toast and char profiles of the barrels takes the flavour even further, just like a perfectly toasted marshmallow. Hitting the bottle at 92-proof, the liquid is assertive and wise beyond its 15-year age statement and boasts a score of 97 points from Wine Enthusiast. A pure expression of Vermont's finest, our favourite way to enjoy WhistlePig 15 is fireside on a crisp evening with a perfectly toasted marshmallow.</p>					
LOT 427	<b>Yamazaki</b> <i>18YO Japanese Whisky</i>	43% 70cl	18YO	£750 - £850
